

Book of Nahum – Chapter 2

1. In verses 1-4, we find Nahum prophesying about attackers coming before the great city of Nineveh to destroy it.
2. You can almost hear those orders in vs. 1: Guard the fortress...watch the road...brace yourselves...marshall all your strength.
3. In verses 5-10, Nahum gives us a vivid description of how the city is captured.
4. Nineveh was surrounded by a two-wall system.
5. The city wall was fitted with fifteen monumental gateways.
6. In verses 11-13, we find Nineveh being taunted by the prophet Nahum.
7. The image of the lion was often used by the Assyrians in their art and architecture.
8. A repentant heart followed by repentant actions is what God is looking for.
9. The length of time God allows an unrepented heart to continue is only known by Him.
