JUNE 2021

Because of COVID-19, last year we had an online VBS and we were not able to celebrate our church homecoming. **THIS YEAR, WE ARE HAVING VBS AND HOMECOMING!!**

Our VBS is June 7-11 from 9am to 12noon. Pray for this blessed opportunity that we have as we are able to reach into the lives of children and families and share with them the love of Jesus. Thank you for those who are teaching and helping out. If you want to help out, talk to Wayne. Our family night will be during our VBS week at 7. Please use the insert in the bulletin to let us know how many are coming to family night.

Our homecoming will be Sunday, June 27. As I write this, I am still praying on someone to speak. We will have a luncheon after the service. Our kitchen committee is preparing our food for the

luncheon. To help them prepare the food, please fill out the insert in the bulletin and drop in the offering box in the sanctuary or call the church office.

We are opening up our church fully from COVID-19. If you haven't returned, you are invited back to Sunday School at 10, Worship at 11 with children's church, Kid's club and worship and youth at 6. Wednesday night activities are at 7 with prayer meeting and youth.

Father's Day

Nick Moore works at the Baptist theological seminary in Gweru, Zimbabwe, where he trains pastors and laborers. As International Mission Board missionaries, Nick and his wife, Kyndra along with their seven children, have the joy of pairing their gifts with those of our African brothers and sisters to advance God's kingdom. The Moores help send out students from the seminary to serve as pastors and plant new churches across this landlocked nation located in the southern part of Africa. A chicken project run by the seminary helps cover student's fees. The project also assists widows caring for nearby orphans. Nick has hopes to expand the community outreach using the seminary's land.

As real people with real struggles, the Moores are able to see God use them in their weakness. "I'm not a huge fan of people calling missionaries "heroes"," Nick said. "If you see a missionary who is effective and able to persevere in difficult places, you are not seeing a strong person. **You're seeing God's power perfected in weakness.**"

Nick encourages churches and believers back in the US to be faithful. "We are only part of the body, and we cannot function without the others doing their role."

Pray with Nick and his family for faith to persevere. Lift up Zimbabwean laborers whom they are grateful to serve alongside. The Moores are confident God has great plans to use these brothers and sisters. **Ask God to give Nick and his family a humility to trust Him and be the vessels they need to be.**

In Christ's Service,
 Sibbie

Men's Ministry

We had a total of 28 at our May meeting. All enjoyed a delicious breakfast. Our next meeting will be on June 13th.

Obedient Patience

Rest in the Lord, and wait patiently for Him... Do not fret – it only causes harm. Psalm 37:78

It is never wise to know God's will and disregard it. If the Father has insisted you wait for Him, then the only wise course is to remain patient until He shows you how to proceed. To do otherwise may mean delaying His blessings – or worse, forfeiting them altogether.

King Saul found this out the hard way. He was well aware that the Lord had appointed Samuel to make the sacrifices. However, with an enormous Philistine army arrayed against his small Israelite forces, he grew exceedingly fearful. The prophet had not arrived to administer the offering, his men were deserting him, enemy soldiers were growing restless, and Saul knew he couldn't defeat the Philistines without God's help. So he disobeyed God and made the sacrifice himself. And because of his impatience, the Lord tore the kingdom from his hands (1 Samuel 13:1-14).

Do not make the same mistake. Don't act out of fear. Whatever the decision, wait for God. He will show you what to do and bless your obedient patience.

In His presence...wait with patient expectation.
