SHINING A LIGHT ON WHO JESUS REALLY IS VBS Scripture

Jesus spoke to them again: "I am the light of the world.

Whoever follows me will never walk in darkness, but will have the light of life. John 8:12

At Illumination Station VBS 2026 we have tried to encourage and challenge each student to answer Jesus' important question to His disciples, "Who do you say that I am?" As they explored all the ways light brightens, illuminates, reflects, and reveals, it is our hope that they discovered or were reminded that Jesus is the light who brings hope to a dark world.

Our average attendance was 82 with 61 children enrolled and the average student attendance was 51. We had 38 students with perfect attendance. Two children made the decision to accept Christ as their Savior and Lord this week and three more had serious questions!! What a blessing your children have been to us as we shared the love of Jesus with them. Always know that you are welcome to come back and worship with us.

VBS 2027 - June 7-11

Faith takes Flight at VBS 2027

All the kids in our community are invited to soar above life's turbulence and discover God's faithfulness at Take Flight VBS 2027! They will learn that God can be trusted no matter what: when they're alone, when bad things happen, when they disobey, when they don't understand, and when following Him is tough.

For the Lord is good and his love endures forever;

his faithfulness continues through all generations. Psalm 100:5

ASSOCIATIONAL VBS MISSION TRIP JUNE 13-18

Our VBS Mission group for the Little River Baptist Association left Friday, June 12 along with fellow workers from the Turner Baptist Association to head to Rabun Gap, Georgia where they will minister to kids from that area as they present Illumination Station VBS 2026 to them. Please be in prayer for them throughout the week!
