Communication Card
To better effectively communicate to our church office, we are using the inserted card called "Communication Card."

Church Members-If you have any changes to your information you can write that on the card. If you are not receiving our one call messages, please communicate that on the back of the card.

Guests-We are so honored that you are worshipping with us today. Please use this card to give us some information about yourself. Indicate if you are a 1st or 2nd time guest or a regular attender. We would love to call on you over the next week and answer any questions you might have and invite you to come again and worship with us.

Prayer requests-please use the back of the card to let us know of any prayer concerns.

As God speaks to you in our service, there are different ways on the card that you can take the next step. Our prayer here at First Baptist Rochelle is that you follow the leading of God as He guides you into becoming more like Him.

As you leave the Sanctuary, please place the card in the communication box just outside the sanctuary on the shelf or give to the pastor.
